# THE SIS LEARNING SYSTEM

**MRS. MAMTA SINDHU**  
Principal  
Scottish International School, Hisar

SIS system Identifies the specific skill set of every child and helps each one of them to derive inspiration from within as well as motivation from the outside world. To prepare our children to take charge of tomorrow, this caring system focuses on their intellectual, creative, physical, mental, emotional and social abilities. In the process, it creates lifelong learners who will be the leaders of tomorrow.

Our aims to nurture the inherent potential of every child through the innovative curriculum aims to open mind by taking education beyond the realm of classrooms through activity based learning. While each stage of the curriculum is planned methodically, it expertly facilitates the learning process of a child through innovative textbooks and various co-curricular activities. Daily assessment helps the teachers to chart the students' academic growth as well as recommend necessary measures.

We nurture a child potential through special focus on his/her intellectual, creative, physical, mental and social ability so as to enable him/her to realize his/her talent to the fullest.

We have well equipped studio for dance, music, art & craft, auditorium, library, environment-friendly campus, Indoor-Outdoor Sports, Science Labs, computer lab and swimming pool.

Beyond mere education, school believes in tapping into, and realizing, a child's inherent talent across a spectrum of abilities. Various activities included in the SIS Learning system help the students to discover their preferences and go a long way in defining their true personalities.

Children are geared to become lifelong learners, who can adapt themselves to meet the challenges of life. The students are endowed with the capabilities needed to become future leaders in the fields of business, technology, administration and others. Moreover, the SIS considers it vital to instill in them a strong set of core values that will not only define their today but help to shape their and India's tomorrow.

Change does not come about in a day. It needs careful preparation. After spending years on research to understand how to unlock the unique learning ability and potential inherent in each child, the result was the SIS Learning System. SIS Learning System is an intuitive, seamless and scientific way of teaching and learning, that is changing the way children learn everyday. Every step a child takes with Learning System, a step towards a confident exploration of her/his potential and unlocking immense possibilities so that the child is ready to take on her/his future role in defining the Indian Millennium.

# Why to Choose Scottish?

- Infrastructure
- Our Achievers
- Academic Results
- Curriculum and Teaching Method
- Beyond The Curriculum - School Clubs

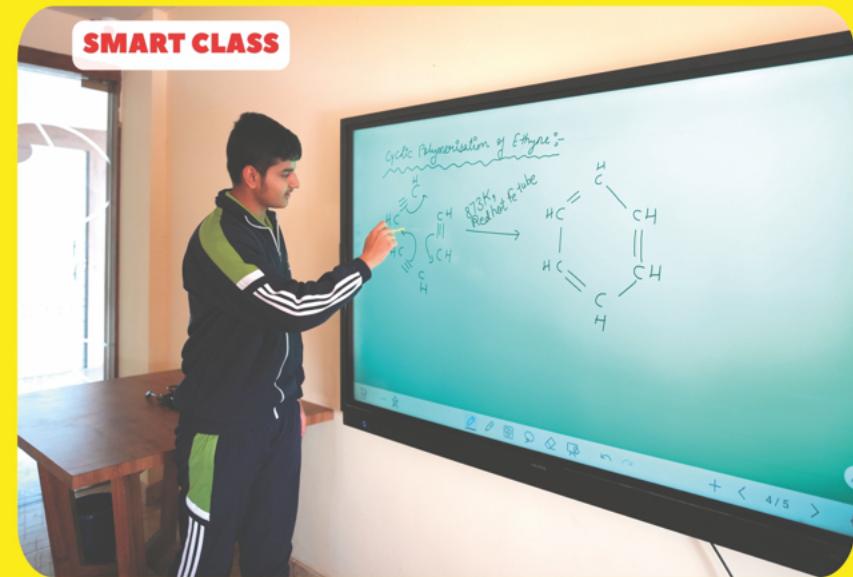

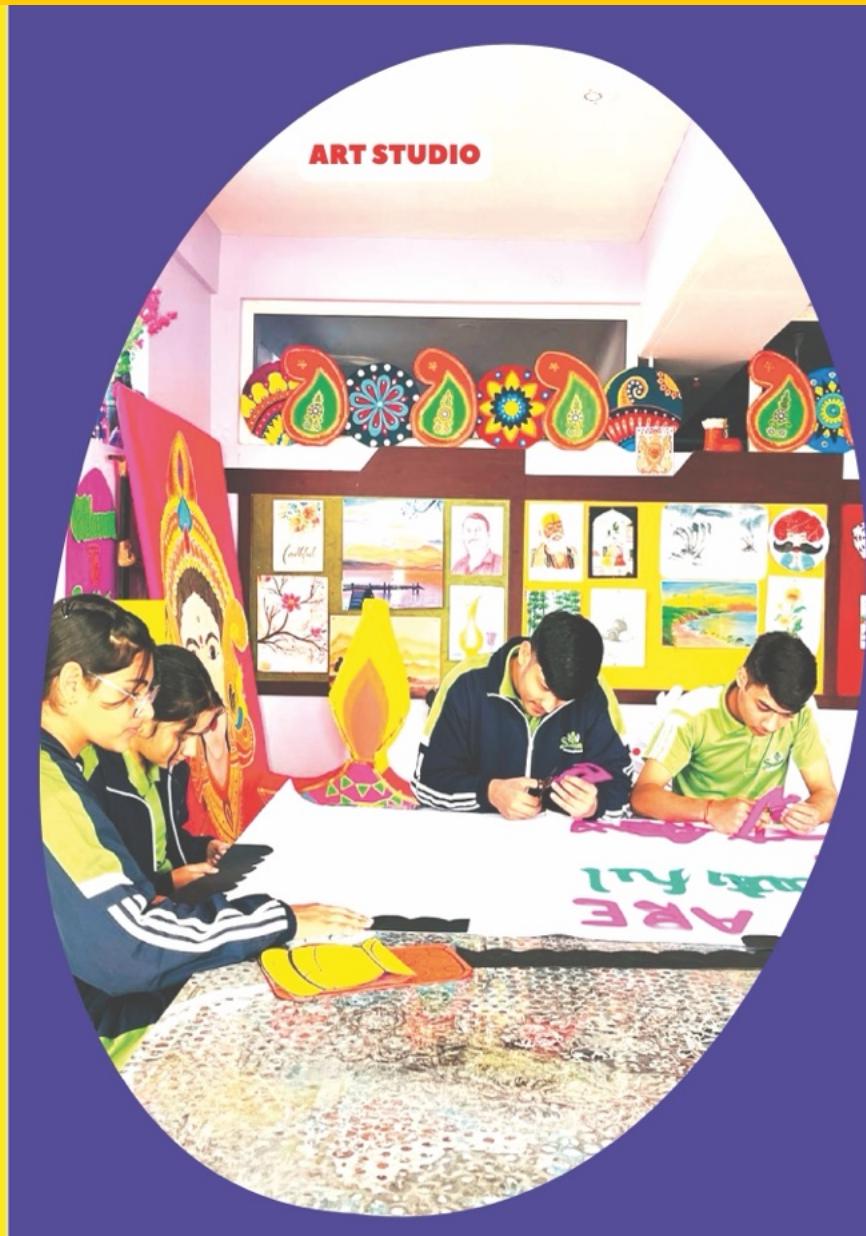

# INFRASTRUCTURE

SIS provides a classroom environment that fosters excellence and motivates students towards better performance. Our classrooms are aesthetically designed and integrated with teaching aids and well-furnished equipments. With technological support, our skilled teachers provide guidance to each individual. The emphasis is on making every classroom session interesting and interactive.

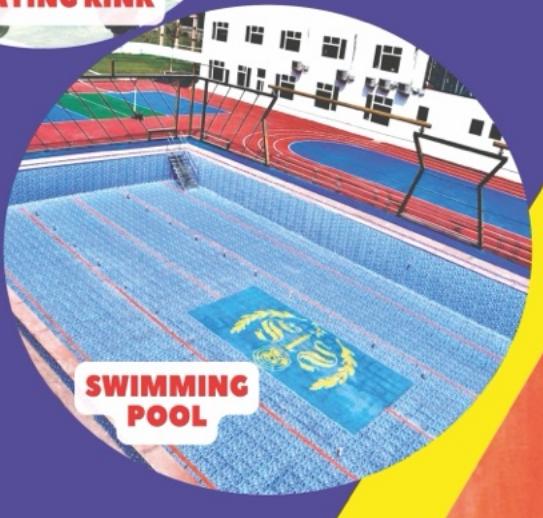

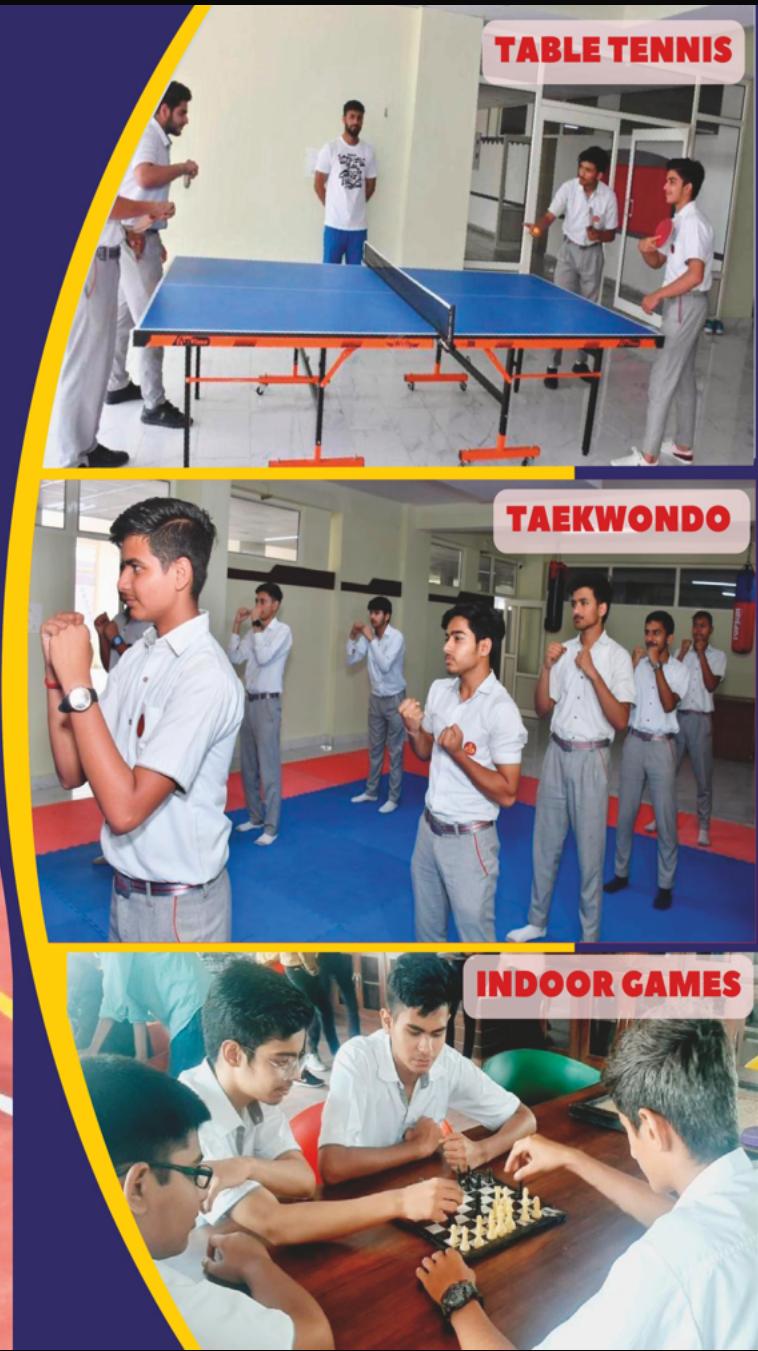

# OUR SPORTS COMPLEX

# INFRASTRUCTURE

# OUR ACHIEVERS

Coach Amit, Manjeet and his team Anirudh Sindhu, Prince Bhakar (Grade XI) brought laurels to the Scottish International School by scaling Kedarkantha, a mountain peak of the Himalayas in Uttarakhand. Its elevation is 12,500 ft. and it is located within Govind Wildlife Sanctuary in Uttarkashi district. It was a thrilling 6 days expedition at - 18 degree celsius temperature.

# OUR ACHIEVERS

In a testament to academic excellence and overall contributions, Scottish International School (SIS) proudly awarded scholarships for the 2021-2022 session. Divyanshi, the topper of CBSE X exams, received the Sushma Lohan Scholarship Award; Harsh, the second topper, earned the Dr. Karan Singh Sindhu Scholarship Award; and Anirudh, recognized as the Student of the Year, was honored with the Ch. Prithvi Singh Sindhu Scholarship. These prestigious awards reflect SIS's commitment to nurturing well-rounded individuals and celebrating outstanding achievements within its student community.

# OUR ACHIEVERS

**YOGITA**

Yogita of grade X, won the 1st position and a cash prize for her outstanding painting at the National Art Workshop held in Narnaul, Haryana!

**PURVI**

Special presentation in the presence of honorable D.C. Dr. Priyanka Soni and S.D.M. of Hisar on the inauguration of "राहगीरी". Dr. Soni encouraged Purvi by handing over the national flag to her on the 75th pious occasion of Independence Day.

**KOMAL**

Got 3rd position at Interschool District Declamation Competition held @ Bal Bhavan.

# OUR ACHIEVERS

**JAISHEEL**

Secured 3rd rank in interschool 'Bhashan Pratiyogita' organised in 'Savdeshi Mela 2023'.

**JEEVAN**

#Distt. Roller Skating Championship - Secured 2 Bronze medals.

#Haryana Ice Skating Open Championship - Clinched the Gold medal.

#Haryana State Championship - Earned the Silver medal.

#Haryana State Roller Skating Championship - Achieved the Silver medal.

**TANISHQ**

Tanishq secured the Gold Medal in the Discus Throw competition at the three-day State-level open athletics championship in Panchkula.

# OUR ACHIEVERS

## TANVI

Got 1st position in Interschool Card making District competition held @ Bal Bhavan.

# CURRICULUM AND TEACHING METHOD

# JUNIOR WING

The SIS curriculum is Integrated, Differentiated and Trans-disciplinary and accentuates the interconnected learning that occurs when children are exposed to real-life situations in the classroom, home, school, and their community. It caters to each and every individual's special learning abilities targeting their multiple intelligence.

# FROM CRADLE TO CLASSROOM

# JUNIOR WING

Our Early Years Programme is designed to meet the needs of young learners from the age 25 and above. In a safe and caring environment, our dedicated educators ensure that our youngest champs become happy and confident learners who succeed gradually entering the realms of letters and numbers. The Montessori Curriculum is designed for preschool and kindergarten students focusing on Play Based Learning and Cognitive Development.

# THE FOUNDATION OF SUCCESS

## MIDDLE WING

We, at SIS are missioned to 'REIGN' – Reach, Explore, Innovate, Grow and Nurture students, by exposing them to the essence of Internationalism, Democracy, Environment, Adventure and Leadership. In addition, Value Education, Character development and Community Service find a prominent place in the curriculum. Built on the strong edifice of 'Quality Education', the School provides opportunities to students to Discover Self, Think Multidimensionally and Flourish with Excellence through collaborative learning.

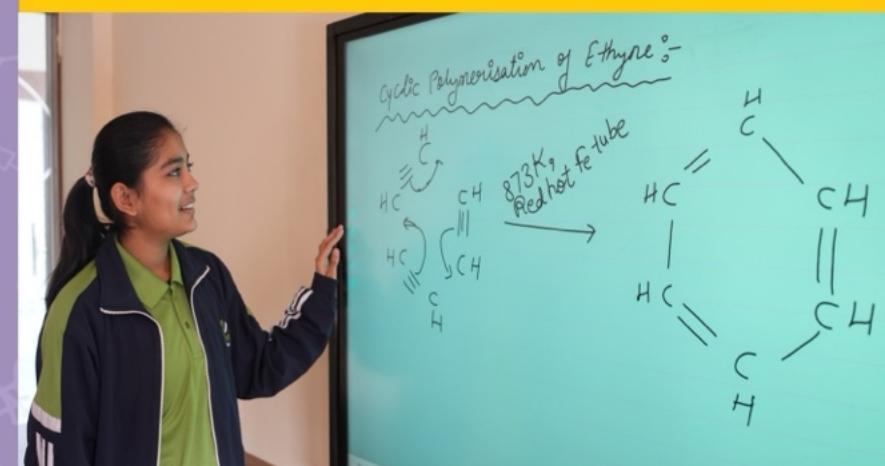

# BRIDGE TO THE WORLD

# SENIOR WING

The Senior Wing represents the final juncture of formal schooling and the learning experiences at this stage become vital for the child's future, further studies and their careers. At SCOTTISH, we are committed to providing high quality and methodical academic inputs to assist every student to achieve their personal best. Our students go through counselling and career assistance programs so they can make the right choices for them, aligned with their aptitude and interests. Ultimately, young adults today are the future of tomorrow and a happy and rewarding life is what we all aspire for.

# BEYOND THE CURRICULUM

At Scottish International, we believe that extra curricular opportunities help to enrich the school and learning experience. Our students get benefitted through our extra curricular club programme.

<input checked="" type="checkbox"/> Art and Culture Club	<input checked="" type="checkbox"/> Editor's Club
<input checked="" type="checkbox"/> Dance and Theatre Club	<input checked="" type="checkbox"/> Reading Club
<input checked="" type="checkbox"/> Music Club	<input checked="" type="checkbox"/> Sports Club
<input checked="" type="checkbox"/> Public Speaking Club	<input checked="" type="checkbox"/> Self Defence Club
<input checked="" type="checkbox"/> Calligraphy Club	<input checked="" type="checkbox"/> Indoor Games Club

# ART AND CULTURE CLUB

---

We offer a unique curriculum of visual arts which provides students the key to succeed in a competitive industry. Students get the opportunity to showcase their creative skills in different types of art forms such as ceramics, drawing, crafts, tattoo art, clay modeling etc.

# DANCE AND THEATRE CLUB

Keeping the holistic education and intellectual development in mind, we provide theatre & dance as one of the parts of Co-curricular activities, at SIS.

We develop the whole personality and children's imaginations through theatre as it engages students with their creative side of the mind. The school has designed the auditorium to enhance qualities like Aesthetic Appreciation, Empathy & Tolerance and Emotional Stability.

We have well-equipped auditorium with an access to audio and visual setup and well designed dance floor.

# DANCE AND THEATRE CLUB

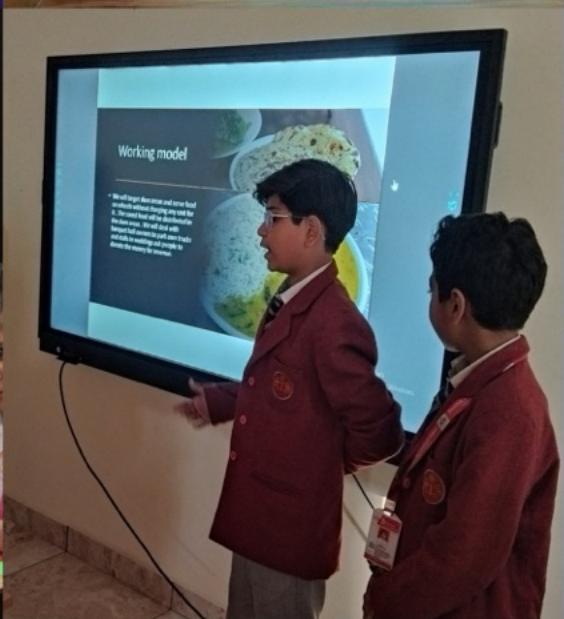

# MUSIC CLUB

Music Club at SIS, where a harmonious blend of Indian and Western music awaits our students. Our unique program is designed to empower students with a wealth of opportunities, opening doors to broader horizons in their future endeavors. Through this engaging module, students have the chance to discover and nurture their creative spirit while learning the intricacies of both Indian and Western musical traditions.

# PUBLIC SPEAKING CLUB

The aim of the Public Speaking Club is to hone the speaking, listening, reading and writing skills of the students. It also strives to develop a love for the language, while polishing the oratory skills of the students. In this Club, students are taught how to analyse a report critically and present their views in an appropriate format. The students are also given ample opportunities to polish their oratory skills through a plethora of activities like extempore, debate, discussion, talk shows, etc.

# CALLIGRAPHY CLUB

Calligraphy is the art of fine writing or script. At Scottish International School, children are taught Calligraphy which helps them to improve their penmanship. Calligraphy club enables children to learn basic techniques and styles of Calligraphy. They are taught to pay attention on each letter and in what direction the pencil or the marker should be moved. Children are encouraged to create their own writing style.

Topic (Sub-Topic) Soil Serial No. \_\_\_\_\_

Soil is one of the most important natural resources. It provides anchorage to the plants and supplies water and nutrients. It is the home for many organisms. Soil is essential for agriculture. Agriculture provides food, clothing and shelter for all. Soil is thus an inseparable part of our life. The earthy fragrance of soil after the first rain is always refreshing.

## (SIS) SCOTTISH INTERNATIONAL SCHOOL

Name: Yashasvi Grade/Sec 8<sup>th</sup> Inno Subject: English Date \_\_\_\_\_

Topic (Sub-Topic) Global Warming Serial No. \_\_\_\_\_

Good morning everyone. I'm sure you are all aware that the biggest environmental threat that we are facing today is 'global warming'. It is adversely affecting the biodiversity, climatic conditions and ecological balance of the earth.

What is global warming? Global warming is the continuous and steady increase in the temperature of the earth's surface. Greenhouse gases like carbon dioxide and methane are the prime reason for the global warming. Other processes like burning of fossil fuels, use of fertilizers, CFCs and UV rays reaching the earth from a hole in the ozone layer are also contributing to global warming. Thus, our technological advancement, population explosion, industrial expansion, deforestation and uncontrolled urbanisation have led us to this life threatening situation. Let us all join our hands to accomplish this daunting task at hand.

THE ESSENCE OF INDEPENDENCE RELATED

by Bhavya, 9th A

The Independence Day reminds every Indian of the beginning of a new era, the start of a new life free from bondage and slavery. It is for the same reason that Independence Day is given much importance and celebrated in every grain of Indian society. The 15th of August, 1947 marked the end of British colonialism and the dawn of the democratic republic. The Indian Independence Day is a vital part of the curriculum and is taught by the

## The Festival is here

Prayag Raj, 9th A

The festival of Raksha Bandhan celebrates the spirit of caring love, taking responsibility, and being grateful to those who are special to us. The school premise of Scottish International flooded with chuckles of students as they witnessed the stories related to the bond of sister and brother auditorium.

## A Day spent in Gratitude

On May 1, International Workers Day was celebrated in many countries across the world, including India. This day was dedicated to the workers and labourers of the world. In a Scottish school, International Workers Day was celebrated with a special assembly. Students

You tease me about being small but I know you will catch me if I fall. You always make a lot of noise.

## BUCKET LIST NOVEMBER

The bond between a teacher and a student is the foundation of quality learning in education. This special bond is the reason to celebrate. Our school organised a series of school trips to destinations like Shimla, "The Queen of Hills", MD Heritage Jodhpur, "The Golden Fort", and Rishikesh, throughout the month of November 2022.

There is a general saying "I hear and I forget; I see and I remember; I do and I understand."

Students gained a better perspective of the world around them by going on these educational tours, as they were brought into direct contact with real situations that prepared them for facing challenges in their upcoming professional life.

The importance of taking the students out of the classroom to absorb, interact, and be immersed in history and educational tours is well known. Educational tours for students practice information within the brain.

On the educational tour, students were energized, excited, and thrilled in anticipation of fresh perspectives and different environments. This day was a fun and learning time while traveling from one city to another with their classmates and friends. It allowed students to witness things from a fresh perspective while learning more about new situations.

## TEEJ - A DEEP INSIGHT

PREET- 8TH A

Tej is one of those festivals that have 3 types -Haryali Teej, Kajari Teej and Hartalik Teej. Recently, India celebrates Haryali Teej on 31st July, and Hartalik Teej on 30th August. Hartalik Teej is celebrated in Hilly and Terai regions of Nepal and most of the parts of North India like Sikkim, Uttarakhand etc. Anujya vrat is observed by married and unmarried

women for around 24 hours during which they go without food and water. Kajari Teej was recently celebrated on 14th August. It is believed that the marriage of lord Shiva and goddess Parvati took place during the Krishna Rasleela of Raopad means Kajari Teej is also known as Kajari Teej. Budhi Teej and Satur Teej. This fast is observed to seek the

## My Exam Diary

Praveen 11th C

The word exams has the capacity to induce a heart attack on a student. I had a little hope of getting an A1 grade. I made a commitment to not leave any question unanswered. I learned many life lessons from these exams. One of these is time management. One during exams acts or fails to study as well as a drain of energy. This makes us lost in exams and unable to go in vain. So my suggestion would be to let go of stress and be confident. The confidence of my feelings on the result day can be summarised as 70% feeling happy for scoring well after so much effort, and 30% feeling lost, knowing that I could have scored higher.

## Eat Healthy to Live fully

Aarav 8th C

Our School celebrated National School Health Week in order to inculcate healthy habits in the students' lives

## LANGUAGE ENTHUSIASTS DELIGHT

Pranav 8th A

On the vibrant day of 20th July 2021, Scottish International School was abuzz with excitement as it hosted a series of thrilling academic competitions, showcasing the brilliance and talent of its students.

For the eager 3rd graders, the school organised the highly anticipated SPOELL BEE CONTEST. With enthusiasm in the air, these young minds displayed their spelling prowess and English language skills.

Moving on to the 4th to 6th grades, the energy continued with the exhilarating SPELLING CONTEST. Enthusiastic rejoiced as they faced the challenges and jumbled words.

During the assembly, the children also paid tribute to the Kargil war heroes and saluted the Indian Army for their selfless sacrifice in the front line.

A special prayer assembly was organised at the school, during which the students educated about the valiant sacrifices made by our soldiers.

During the assembly, the children also paid tribute to the Kargil war heroes and saluted the Indian Army for their selfless sacrifice in the front line.

In a vibrant tapestry of colors and devotion, Scottish International School celebrated Janmashtami with utmost zeal and reverence. Our young talents embraced the roles of Radha and Krishna, radiating an exuberant joy and energy. The spirit of Janmashtami truly came alive as our students performed the divine dance of Lord Krishna, enacting and capturing the essence of the festival.

The spirit of Janmashtami truly came alive as our students performed the divine dance of Lord Krishna, radiating an exuberant joy and energy. The spirit of Janmashtami truly came alive as our students performed the divine dance of Lord Krishna, enacting and capturing the essence of the festival.

The students' enthusiasm and joyful expressions, along with their vibrant costumes, created a moment of pure joy and celebration. The school's Janmashtami celebration was a beautiful amalgamation of culture, devotion, and youthful exuberance.

I learned many life lessons from these exams. One of these is time management. One during exams acts or fails to study as well as a drain of energy. This makes us lost in exams and unable to go in vain. So my suggestion would be to let go of stress and be confident. The confidence of my feelings on the result day can be summarised as 70% feeling happy for scoring well after so much effort, and 30% feeling lost, knowing that I could have scored higher.

On the vibrant day of 20th July 2021, Scottish International School was abuzz with excitement as it hosted a series of thrilling academic competitions, showcasing the brilliance and talent of its students.

For the eager 3rd graders, the school organised the highly anticipated SPOELL BEE CONTEST. With enthusiasm in the air, these young minds displayed their spelling prowess and English language skills.

Moving on to the 4th to 6th grades, the energy continued with the exhilarating SPELLING CONTEST. Enthusiastic rejoiced as they faced the challenges and jumbled words.

During the assembly, the children also paid tribute to the Kargil war heroes and saluted the Indian Army for their selfless sacrifice in the front line.

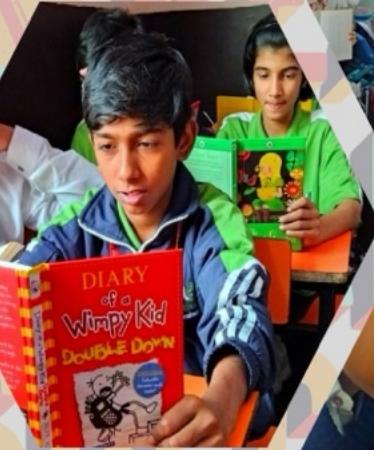

A special prayer assembly was organised at the school, during which the students educated about the valiant sacrifices made by our soldiers.

During the assembly, the children also paid tribute to the Kargil war heroes and saluted the Indian Army for their selfless sacrifice in the front line.

In a vibrant tapestry of colors and devotion, Scottish International School celebrated Janmashtami with utmost zeal and reverence. Our young talents embraced the roles of Radha and Krishna, radiating an exuberant joy and energy. The spirit of Janmashtami truly came alive as our students performed the divine dance of Lord Krishna, enacting and capturing the essence of the festival.

The spirit of Janmashtami truly came alive as our students performed the divine dance of Lord Krishna, radiating an exuberant joy and energy. The spirit of Janmashtami truly came alive as our students performed the divine dance of Lord Krishna, enacting and capturing the essence of the festival.

The students' enthusiasm and joyful expressions, along with their vibrant costumes, created a moment of pure joy and celebration. The school's Janmashtami celebration was a beautiful amalgamation of culture, devotion, and youthful exuberance.

# READING CLUB

"Reading is the gateway for children; it makes all other learning possible." - Barack Obama Books are referred to as a man's best friend. They are a powerhouse of information and knowledge. Books leave a deep impact on us and are responsible for our overall upliftment; keeping this in mind, Scottish International School has inculcated Reading Club that brings a smile to children's faces. Our school has a rich collection of international best-seller novels, encyclopaedias, biographies, storybooks, and many more to reach out to the classroom. This club aims to make reading quality books accessible to every book lover in the school.

# SPORTS CLUB

---

As one of the central pillars of an Inspired education, an engaging and challenging sports and athletics programme is at the core of a holistic learning experience. Participation in a sports programme allows students to learn about healthy lifestyles, make friends, and develop necessary life skills, such as perseverance, collaboration, teamwork, critical thinking, leadership, and ethics. Our students compete in Soccer, Volleyball, Swimming, Basketball, Badminton, Skating, Track and Field and are trained by expert and dynamic sport coaches.

# SPORTS CLUB

---

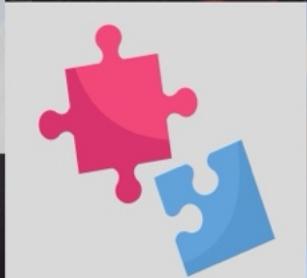

# SELF DEFENCE CLUB

“Self Defence Is Not Just A Set Of Techniques; It’s A State Of Mind, And It Begins With The Belief That You Are Worth Defending.” Our students get benefits of Self defence workshop, as it is the need of today’s time to teach our next generation how to protect themselves from being harmed, injured or killed, which is a basic right of every human being. Instead of becoming vulnerable and helpless in difficult situation, they learn the tactics and different ways to defend and to develop an awareness of their body and how they can overcome previously unattainable limits.

# INDOOR GAMES CLUB

Welcome to the Indoor Games Club at SIS, where we believe in unleashing the full potential of each child. Our carefully curated indoor activities are designed to foster problem-solving skills, foresightedness, concentration, and the development of IQ levels.

# CULTURAL CELEBRATIONS

Under the umbrella of cultural activities, SIS constantly strives to promote creative thinking and artistic expressions amongst our young champs! The students are bequeathed with the opportunity to showcase their skills in visual as well as performing arts through a plethora of programmes such as competitions, festivals, workshops, and shows. SIS not just strives to nurture a passion for a specific art yet it also inculcates an aesthetic sensibility and creativity in our young champs!

# EDUCATIONAL TRIPS

We organize outreach educational trips to provide a rich exposure to our students to experience learning in wider contexts and situations. It also helps our students to engage with challenges both physically and mentally, so that adaptability and flexibility to survive in different situations become a meaningful and real context of taking part in the educational journey. These trips help our students to develop their own niche and enjoy life with the highest sense of living with a purpose.

# EDUCATIONAL TRIPS

# LINK WITH THE COMMUNITY - SOCIAL WELFARE

Now, more than ever, connection and community are vital for young people. That is what we at Scottish International School strive for each day—each student's authentic sense of belonging. Our motive is to action steps for students to feel included, safe, and empowered to participate fully in all the aspects of community life.

When our students discover a need in their community, they give their most precious commodities—their time and effort. The goal is to engage them in personal and direct interaction with people and the environment so that they can discover, share, and grow in their gifts through interpersonal experience, education, and reflection. As our students develop, each service opportunity becomes increasingly student-driven and directed.

## Slum Donation Drive

"National Give Something Away Day" on July 14, 2023. The event aimed to promote selfless giving and the idea that one person's unwanted items can be treasures to others. Students collected old toys, books, and clothes, which were then distributed in slum areas of Hisar city, Haryana. The campaign encouraged empathy, gratitude, and the value of small acts of kindness. Scottish International School is dedicated to nurturing compassionate individuals who make a positive impact on their communities.

## Protecting Wildlife, One Roar at a Time

A day of wild excitement at our school as we celebrated International Tiger Day with a roar! This special day was all about raising awareness for tiger conservation, and our students and teachers were all fired up to make a difference. Imagine the scene as our young conservation champions took to the streets, marching proudly and chanting powerful slogans like "Save the Tigers!" Their passion was contagious, and they sensitized everyone they met about the importance of protecting these magnificent creatures.

Tigers are truly the kings of the jungle, and we know that it's vital to create awareness to safeguard their future. If we don't act now, our future generations might miss the chance to witness their national animal in the wild! Our inspiring Principal, Mrs. Mamta Sindhu, encouraged our young tigers to understand their role in maintaining the ecological balance of the tiger's habitat. By spreading awareness among our friends, families, and communities, we can make a significant impact!

## Spreading Joy at Old Age Home!

Our incredible students brought smiles and laughter to the wonderful residents at Moksh Old Age Home! From heartwarming dance performances to hilarious skits, games, and soul-touching poems, it was a day filled with love and happiness. Even our Class 5th students showcased their creativity by preparing beautiful greeting cards for the resident Grandparents! And guess what? The joy was so infectious that even the Grandparents couldn't resist joining in for some delightful dance moves! Thank you to everyone who contributed to making this day a memorable one. Let's continue spreading love and creating beautiful memories together!

## Rags to bags

Rags to Bags - An initiative towards the mission of #polythenefreehisar. With the desire of making a difference and reducing the plastic use in the city, Students of Scottish International School repurposed 600+ old T-shirts into cloth bags.

## Save to Survive

"#SavetoSurvive," an energy conservation campaign organised to create mass awareness about energy, efficiency, and conservation, was executed by the young environmentalists of Scottish International School, Hisar. Throughout the "World Energy Conservation Week," the students took part in a plethora of activities. Great efforts were made by the students to reduce the consumption of energy by creating awareness through Nukkad Natak, slogan and poem writing, an interclass science quiz, presentations through audio-visual technology, speeches, and recreational activities such as recycling old T-shirts into eco-friendly bags. Students participated in the activities allotted to them with enthusiasm. The campaign was kicked off at Tau Devilal Park, PLA, and Hisar, where students shared the message of joining hands to save electricity through speech, the distribution of cloth bags, and Nukkad Natak.

## Mathematics Awareness week

A Maths Awareness Week was organised from December 19 to 24 to enhance the confidence of students to solve maths problems and add the value of mathematics in their life. Various activities and competitions were held as a part of this celebration. One week of nonstop math buzz continued in each and every class. Taking the celebration as an opportunity, budding mathematicians from the school showcased their knowledge of mathematical concepts, their thinking, analytical and application skills through chart making and mind games like Rubik's cube and Sudoku solving. Students were enacted about the great mathematician Shrinivasa Ramanujan on his birthday 22nd December highlighting his lifestyle and contribution to maths through powerpoint presentations. The evening was concluded at Jindal Park, Hisar, where students shared the importance of mathematics through Nukkad Natak. Parents were addressed about the Maths Phobia faced by their wards and methods to tackle it. Students enthusiastically participated in various activities on the last day of celebrations.

## Zero Malaria Campaign

A campaign with the mission of transforming Hisar city into #malariafreecity through awareness and donation camps. The campaign was executed into multiple phases where students participated into various activities enlightening them about the cause, prevention and treatment of the disease.

# PARENT TESTIMONIALS

## **Mrs. Poonam Sharma**

**Mother of Aayush grade VIII & Jagriti grade II**

"I chose Scottish International School, Hisar for my kids with an expectation of giving them the best possible education as well as exposure to extra-curricular activities. The learning experiences are beyond my expectations. I noticed that they have become more imaginative, disciplined and curious while doing all their activities and their confidence have significantly improved. I really appreciate the way teachers encourage kids to speak and interact with them and not to be afraid of them."

## **Mrs. Himani Bansal**

**Mother of Shiven grade I & Siya grade V**

My daughter Siya 5th, Shiven 1st class are in Scottish International School. Siya joined the school in nursery class. I admire the management of school as they always respond very well. I appreciate the hard work of teachers. They are giving 200% everyday. My both kids love the school in such way that they never want to join any other school. They always said my Scottish is the best school.

## Mr. Abhishek

Parents of Chaitanya Sapling Red

We would like to take this opportunity to thank the Principal ma'am, class teachers and all the staff members for the efforts they are putting together to teach our children. We really appreciate the fact that focus is not just finishing the syllabus but also ensuring that each kid is learning properly. Impressed with the co-curriculum activities organised by the school. This has helped our kids to develop confidence and overcome stage fear. Very happy to be the part of school and its systematic approach towards grooming the kids. Keep up the good work!

## Dr. Sumiti & Mr. Amit

Mother of Adavya Singh of Sapling red

We feel lucky to get your remarkable and praise worthy supervision for our baby Adavya. He often talk about you sweet and soft behaviour/motherly, his interest in study and general awareness and effective methods of learning. We are developing good sense of learning new things at this early age. We hope you will be successful in making a strong base and confidence level of all star kids of your class !
